

Jurassic™ Pink Shades Rex Begonia

Jurassic Rex Begonias offer a new take on a classic plant!
 Jurassics have been selected with excellent vigor, which helps the varieties to fill out a 6-in. (15-cm) up to large size container.
 The vigor also helps the Jurassics to finish faster than most other rex begonias currently on the market.
 And last, the Jurassic varieties were selected to finish uniformly.
 The Jurassic Rex Begonias all have bold patterns and make a perfect addition to any indoor program or shade container program!
