

## Cannova® Bronze Scarlet Canna

Cannova is the first seed F1 canna series that offers an easy-to-grow option in this heat-tolerant class. Improved young plant performance provides more useable plugs that are uniform and earlier than other seed canna programs. Plus, the strong color selection captivates the landscape market. Cannova is a versatile series that works well in 4-in. (10-cm) pots to 2 gallons and is ideal for cart programs. Supplied as virus-free seed and plugs.

Bronze foliage; may contain 5 to 10% green leaf types.  
CANNOVA is a U.S. registered trademark of Takii Europe B.V.
